No – no! not worth you rearranging. It's just to tell everyone that the labeling is going to the neonic registrants tomorrow. It hasn't changed much at all from what you saw and it includes the wording you and Jeff gave us last week. Give me a call later today if you want to talk about it. We will post the letter and the labeling on our website.

Meredith,,

Is it worth rearranging my schedule to join you all on the Call this afternoon?

I tried to get Jeff to cover but he has an AAPCO board call scheduled for from 1-3.

I can reschedule my afternoon, just checking to see if you feel it would be worth it..

Thanks Cary

I'm at PREP and scheduled to talk at 2. By reschedule my afternoon I mean.. rearrange everyone's afternoon.

Thanks Cary
